BOSTON BADMINTON, 169 FLANDERS RD., WESTBOROUGH, MA**

**MID ATLANTIC CONFERENCE: NOV 4-5, 2017
SPH GYM, BLG 225, UNIVERSITY OF MARYLAND, COLLEGE PARK, MD**

**SOUTHERN CONFERENCE: JAN 27, 2018
CLEARONE SPORTS CENTER, 4141 N JOHN YOUNG PKWAY, ORLANDO, FL 32804**

EVENTS

All conferences will have two divisions (1 and 2) if more than 8 teams register, with stronger teams in Division 1, and a maximum of 8 teams in each Division in each conference. Each team may choose the Division in which they would like to compete. For compelling reasons, the Tournament Director may move a team to a different Division. If a tournament has 8 or fewer teams, there shall be no separate Divisions and all teams will play in one Draw.

Collegiate Teams from NJ, PA, DE, MD, DC, VA shall participate in the Mid Atlantic Conference. Those from MA, NY, CT, RI, NH, ME, VT shall participate in the Northern Conference. Those from TX, OK, AR, LA, MS, AL, GA, TN, FL, NC and SC shall participate in the Southern Conference. If entries are received from outside the USAB designated Northeast and Southern Regions, those teams will be accepted on a first - come, first served basis into a Conference with less than 16 teams participating.

FORMAT

Format for each division shall be round robin or pool play (round robin followed by playoff), depending on the number of participating teams. Each team will be guaranteed three encounters (ties) with another team. Each tie will consist of: two Men's Singles, one Women's Singles, two Men's Doubles, two Women's Doubles, and two Mixed Doubles for a total nine matches per tie. Each match will be the best of three 21 point games using rally-point scoring. All nine matches in a tie will be played during the round robin phase. The final group position will be decided by the number of ties won by each team. If two teams have the same record, their relative positions will be decided by the result between those two teams. If three teams have the same record, positions will be determined by the difference between total matches won and total matches lost, with the greater difference ranked higher.

A player may play at most two different events within a tie. For example, Player A may play one singles event and one doubles event, a singles event and a mixed doubles event, or a doubles event and a mixed doubles event. Thus, a minimum number of four men and four women are needed for a team to play all nine matches of each tie. A team of six men and six women is recommended; however, there is no restriction on the number of players. Each team must submit a roster detailing the ranking of each player within their roster. The players should be listed in order of strength, with the strongest player ranked as #1. Questions and disputes regarding player eligibility and rankings must be resolved prior to the start of a tie.

Before each tie commences, each team captain will complete a Match Record Sheet detailing which players will be playing which matches in that tie for their team. Of the two men selected to play the Men's Singles matches, the

stronger player (ranked with the lower number) must play the 1st Men's Singles match and the weaker player (ranked with the higher number) must play the 2nd Men's Singles match. This ranking system is applied for Men's Doubles, Women's Doubles, and Mixed Doubles events, with the relative strengths of doubles pairs determined by the calculation of the pairs' Notional Ranking Totals which is the sum of (Ranking of Player 1) and (Ranking of Player 2). Walkovers due to the lack of players will be considered walkovers of the weaker pair or player. Tournament officials will be on hand to determine whether each team is complying with their ranking. During each tie, the order of play will be: MS1, MS2, WS, MD1, MD2, WD1, WD2, XD1, XD2 unless team captains agree to a different order of play. If needed, a 10 minute default time shall be enforced.

Umpires may be available for individual team matches; however, not all matches are guaranteed to be officiated. Players will be responsible for calling their own lines in the event there is no line judge available. Teams are expected to play by the honor system, making their best calls and scoring with full respect to their opponents. In the event of a dispute or a line call, if players on court cannot resolve the dispute, they should play 'Let' with no point scored (i.e. replay). In the event of a scoring or rules dispute, teams should have the Referee intervene to help resolve it.

If the pool play format is used, there shall be two seeds for 6 teams and 4 seeds for 8 teams. Seeding will be done by the Tournament Director in consultation with the Referees.
